Financial report approved w/o objection.

Proposed budget was discussed and approved w/o objection.

Reviewed membership drive. Current enrollment at 51 paid members. Membership drive letter was mailed on 11/5/2007. Suggested phonathan scheduled for Monday 11/12/2007 if possible. Liz will email a certain date place and time.

The Fundraising event was discussed. The Hoops Club tale sold approximately \$185 dollars of apparel and sold at least one new membership to the club. Cheryl reported 128 tickets sold to the event and the successful silent auction led to an estimated net profit of close to \$17000.

A long sleeve purple button down shirt w/Hoop's Club logo was approved w/o objection for the apparel item this year.

Liz gave an update on the Johnson Alumni Room sponsors. Still need sponsors for 2 games and the TipOff Classic. If no sponsor steps forward for the Tipoff event, a suggestion of giving an honorary sponsor to long time sponsors such as Pepsi or the food service vendor was suggested and will be taken into consideration.

A sign up sheet for the Johnson Alumni Room Hosts was passed around and if enough interest is shown, a Hoops Club booth will be manned at the Tipoff event.

A discussion of advanced tickets for the Winona home game was undertaken and was helpful to Kevin.

Next meeting was set for 12/19/2007.

Meeting adjourned w/o objection.
