The Northern Sun Intercollegiate Conference Board of Directors held a meeting on Wednesday to discuss possible expansion of the league. The group of NSIC Presidents/Chancellors voted to accept the letters of application from Augustana College, University of Minnesota Duluth, Minnesota State University Mankato and St. Cloud State University for review for potential expansion.

According to an NSIC press release, each institution will be considered on an individual basis and site visits will be conducted on each campus during the months of February and March.

The final expansion vote will take place no later than April 23, 2007.
